

## Performance Spider Icebreaker – Women’s Rules

1. Games will be 8 ends and follow general WCT Rules.
2. 10 minutes before game time there will be a coin toss for choice of practice. Winner gets order of practice and rock color, other team gets choice of side of the sheet for DTB. ( You can defer for side of sheet if you win )
- 3. We will be qualifying/seeding only based on record and DTB.**
4. Practice Ice will start at game time and will allow for each team to throw 4 rocks up and back. Followed by a DTB for hammer and playoff seeding.
5. If you cover the pin or miss the house you must keep throwing until you get a measurable score.
6. Best 3 out of 4 DTB scores will be used for playoff seeding (including eliminating 2-2 records potentially). The fourth score will only be used to break ties.
7. In the unlikely event of 6 teams at 3-1, we will hold a Tie-Breaker draw late Saturday night to determine 5/6.
8. Extra ends will be played towards the home end.
